NOTES:

* 2000 & 2010 data is of Koreans and mixed Koreans - we will use total Korean + mixed where available.

1. 1950 and 1960 Census didn't breakout Korean population. Only theory is that there were too few Koreans.
2. Alaska and Hawaii did not become official states until 1959 but kept separate records - we've combined them.
3. No data for Koreans in Alaska for 1970
4. Hawaii's Korean population was recorded for 1950, but not 1960. No data from Hawaii in 1930
5. Made possible by the grant from the Beautiful Foundation & valuable assistance of Ms. Irene Doko
